

—:— **COLD SPRING PRESBYTERIAN CHURCH** —:—

Organized in 1714 is located on the "Old Shore Road," three miles north of Cape May, N. J. The present edifice was built in 1823 and is well preserved. Regular Sunday service is held at 10:45 A. M. A cordial invitation is given to attend.

Automobiles may be parked in front of the church.

The first pastor was John Bradner, who served from 1714 to 1721. At his death he deeded his farm of 200 acres to the trustees of the church in perpetuity. This is the third church building to stand on the property and is located on the site of its predecessor. Many generations of the same family have and continue to hold membership in this church.
